Addendum No. 02

File Reference Number: NRFP 2023 047

Title: Enterprise Resource Planning Solution

RE: Clarifications – Section 2: Proposed ERP Solution

Please refer to the following information / clarifications:

Section 2: Proposed ERP Solution (page 44):

Currently reads:

10) Privacy and Personal Information

- b. Describe any previous experience your proposed project team has risk.
- c.
- d. Describe the training and orientation provided to your team members to ensure their compliance with relevant privacy legislation while working with ONTC.

Change to:

10) Privacy and Personal Information

- b. Describe any previous experience your proposed project team has participating in Privacy Impact Assessments.
- c. Describe the training and orientation provided to your team members to ensure their compliance with relevant privacy legislation while working with ONTC.

Regards,
