

May 13, 2025**Addendum No. 02****File Reference Number: RFSQ 2025 023****Title: Pre-Qualification of Service Providers for Environmental Consulting Services****RE: Clarifications/Questions**

CLARIFICATIONS/QUESTIONS**Item 1: Part 3 – Request for Supplier Qualifications – Schedule 3-A - Scope of Work – Stream B: Site Natural Design and Restoration**

- a) Does this component require the involvement of a licensed Landscape Architect for the development and/or sign-off of design drawings?
- b) Are there any certification requirements (e.g., Certified Ecological Restoration Practitioner – CERP, or equivalent) expected of the personnel responsible for restoration planning and implementation?
- c) Is ONTC seeking a specific level of design detail or restoration methodology (e.g., planting plans, grading details, species selection rationale)?
- d) Are there any regulatory approvals or agency coordination responsibilities associated with this component that the proponent should anticipate?

Answer: Please note, this scope item is for broad consideration/interpretation, as no specific project requirements have been identified at this time.

Respondents are encouraged to draw on the totality of their industry experience to summarize and include any and all considerations, inputs and/or best practices they feel may be of benefit to ONTC. Depending on future project need, any specific, additional or associated experience/qualification under this specialization may be considered an asset.

This Addendum hereby forms part of the RFSQ.
