| Specified Tag | Base of Design | Base Model | Our Equal | Equal Model | ONTC |
|---------------|----------------|------------|-----------|-------------|------------------|
| MD-1 & MD-2 | Tamco | 9000 | Alumavent | 3965BF | *Approved |

***Comments:**

The request for equivalent has been approved, but the damper profile type and installation method shall be determined by contractor to suit site conditions.

The Contractor is responsible for dimensions to be confirmed and correlated at the job site, for information that pertains solely to fabrication process or to techniques of construction and installation and for coordination of the work of all sub trades.

This Addendum hereby forms part of the RFP.
