

**PART 4 – FORM OF PROPOSAL
PROPOSAL FORM 10
SCHEDULE AND PROPOSED APPROACH**

CONSTRUCTION SCHEDULE

Respondents shall include a schedule with their Proposal. The schedule shall be in Gantt chart format, showing all activities of the Work. The schedule shall be designed to ensure conformity with the Contract Time. The Contractor shall ensure that the schedule adheres to all contractual requirements and technical submittal requirements. The construction schedule shall reflect the milestone dates listed below:

Critical Path: Respondents are required to identify the critical path in their schedule and also describe it in their proposed approach.

Request for Proposal Close	Tuesday, October 28, 2025
Start Date	November 17, 2025
Kick-Off Meeting	November 24, 2025
Site Mobilization Date	April 01, 2026 (Or before depending on the procurement progress and equipment delivery)
Substantial Completion Date	January 15, 2027
Final Completion Date	February 01, 2027

Do you agree to complete the entire project by February 1, 2027?

Respondent confirms that they will complete the entire project by February 1, 2027.

(Check one) YES_____; NO_____

ONTC has established the date for Completion of the Work with consideration for strict project timelines. As such, and subject to ONTC's sole discretion, a failure to confirm that the work will be completed by the identified date may result in disqualification of the Proposal.

Note: Respondents should provide justification if they are not able to meet the deadline.

PROPOSED APPROACH

The Respondent shall provide a written narrative plan on their proposed approach for the project, demonstrating their ability to complete the project on budget and on schedule within the timelines identified. The respondent should build in any anticipated delays, supply chain timelines and other factors to provide sufficient time in the schedule to meet provided timelines and mitigate potential delays.

Evidence of a thorough review of the RFP Documents should be apparent in the Respondent's Schedule and Proposed Approach.
