Addendum No. 01

File Reference Number: RFP 2025 092

Title: North Bay Car Shop Heating and Ventilation Upgrades

RE: Clarifications/Questions

QUESTIONS/CLARIFICATIONS:

Item 1: It is noted in the drawing specifications that Honeywell is listed as the only applicable BAS/Controls vendor who may bid on this opportunity, would ONTC please advise if there is an RFI process available for us to submit our company as a suitable alternative?

Answer: ONTC advises that the existing BAS system at ONTC is Honeywell-EBI and the intent is to integrate the new controls into the existing BMS system.

This Addendum hereby forms part of the RFP.
