Addendum No. 01

File Reference Number: RFP 2025 105

Title: Installation of an Industrial Safety Vacuum System

RE: Clarifications/Questions

CLARIFICATIONS

Please refer to the following information/clarification:

Item 1: The Exterior Staircase isn't fabricated; contractor is responsible for supply and install. (ONTC's Engineering Consultant will provide Shop Drawing for the Staircase upon awarding).

Item 2: The contractor is responsible for supply and install of all the cladding materials.

Item 3: Any Shutdown needs to be coordinated with ONTC prior to 5-7 days; and electrical Shutdown is preferred on Sunday.

Item 4: Materials List

Please note that ONTC has provided the Materials List as a separate attachment to this Addendum No. 01.

Please note that there may be a few smaller items in our sea cans that are not included in this list. The Contractor is responsible for supplying any additional materials required to complete the installation.

This Addendum hereby forms part of the RFP.
