PART 1 – INVITATION AND SUBMISSION INSTRUCTIONS

1.1 Invitation to Respondents

1.1.1 Invitation

This Request for Quotations (the “RFQ”) is an invitation by Ontario Northland Transportation Commission (“ONTC”) to prospective respondents to submit quotations for **Supply of Turnouts and Parts**, as further described in Section A of the RFQ Particulars (Appendix B) (the “Deliverables”).

ONTC is an agency of the Province of Ontario that provides reliable and efficient transportation services to northern and rural communities. For over 120 years, the company has provided integrated and impactful transportation services including rail freight, passenger rail, motor coach transportation, rail repair, and remanufacturing services.

ONTC’s rail services are vital in maintaining a reliable supply chain in Northern Ontario by connecting freight customers to global economies. The forestry industry, mining operations, farming communities, and manufacturers count on ONTC’s services to deliver large volumes across vast distances. The company’s 675 miles of mainline track span throughout northeastern Ontario and northwestern Quebec.

ONTC motor coaches connect rural Ontario to major centres providing access to education, medical appointments, shopping, and seamless connections to other transportation providers. The Polar Bear Express passenger train connects Moosonee and Cochrane, Ontario, providing an all-season land link for Indigenous communities on the James Bay Coast.

Improving and repairing transportation equipment is also a large part of ONTC’s service offering. We remanufacture and repair locomotives, passenger rail cars, freight cars, and more. ONTC’s unique mechanical skillset attracts new business and secures skilled trades jobs in Northern Ontario.

ONTC makes provincial dollars reach further by creating innovative solutions that help drive economic growth sustainably, responsibly, and with future generations top of mind. Throughout the agency, modernization is underway with many exciting projects that will improve how we operate. ONTC employs over 1,000 people including Locomotive Engineers, Motor Coach Operators, skilled tradespeople, and business professionals. Employees work together to improve and deliver services that provide value to the regions served.

ONTC is inviting respondents to submit a quotation for the Supply of Turnouts and Parts as per the requirements below:

- No. 08 Turnouts
- No. 11 Turnouts
- Parts: Insulated Rods and Insulated Gauge Plates

1.1.2 Respondent Must Be Single Entity

The respondent must be a single legal entity that, if selected, intends to enter into the contract with ONTC. If the quotation is being submitted jointly by two (2) or more separate entities, the

quotation must identify only one (1) of those entities as the “respondent”. The respondent will be responsible for the performance of the Deliverables.

1.1.3 Bidding System Registration

All respondents must have a vendor account or pay a one-time fee with the bidding system at: <https://www.merx.com/>. This will enable the respondent to download the solicitation document, to receive addenda email notifications, download addenda, and submit their quotation electronically through the bidding system.

1.2 RFQ Contact

For the purposes of this procurement process, the “RFQ Contact” will be:

Brinda Ranpura
Procurement Contracts Specialist
Telephone: 705-472-4500 * 548
Email: brinda.ranpura@ontarionorthland.ca

Respondents and their representatives are not permitted to contact any employees, officers, agents, elected or appointed officials, or other representatives of ONTC, other than the RFQ Contact, concerning matters regarding this RFQ. Failure to adhere to this rule may result in the disqualification of the respondent and the rejection of the respondent’s quotation.

1.3 Accommodations for Respondents with Disabilities

In accordance with the Ontario Human Rights Code, Ontarians with Disabilities Act, 2001 (ODA) and Accessibility for Ontarians with Disabilities Act, 2005 (AODA), ONTC will accommodate for a disability, ensuring full and equitable participation throughout the RFQ process. If a respondent requires this RFQ in a different format to accommodate a disability, the respondent must contact the RFQ Contact as soon as possible and in any event prior to the Submission Deadline. The RFQ in the different format will be issued only to the requesting respondent and all addenda will be issued in such different format only to the requesting respondent.

1.4 French Language Services

In accordance with the French Language Services Act, R.S.O. 1990, c. F.32, and Ontario Regulation 544/22, ONTC is committed to providing equitable access to procurement opportunities in both official languages. While this RFQ and associated documents are posted in English, a French version may be available upon request. Interested parties may contact the RFQ Contact.

1.5 Contract for Deliverables

1.5.1 Type of Contract

The selected respondent will be requested to enter into a contract for the provision of the Deliverables on the terms and conditions set out in the Form of Agreement (Appendix A) (the “Agreement”).

1.5.2 Term of Contract

The term of the Agreement will be in effect until the completion of the Deliverables.

1.7 Submission Instructions

1.7.1 Submission of Quotations

Quotations must be submitted electronically through the bidding system at:

<https://www.merx.com/>

Submissions by other methods will not be accepted.

In the event of any technical issues, respondents should contact the bidding system's technical support:

MERX	Customer Support
Phone	1-800-964-6379
Email	merx@merx.com

The Technical Proposal shall be uploaded into the bidding system, in PDF format, and not have a security password. It is the respondent's sole responsibility to ensure all uploaded documents are not defective, corrupted, or blank and can be opened by ONTC. If the Technical Proposal cannot be downloaded by ONTC, the Proposal shall be rejected.

The Pricing Proposal shall be uploaded into the bidding system.

1.7.2 Quotations to Be Submitted on Time

Quotations must be finalized and fully uploaded in the bidding system on or before the Submission Deadline. The time of receipt of quotations shall be determined by the bidding system web clock. Late submissions will not be accepted by the bidding system and will be disqualified as late.

Respondents are cautioned that the timing of submission is based on when the quotation is received by the bidding system, not when a quotation is submitted by a respondent. As transmission can be delayed due to file transfer size, transmission speed, or other technical factors, respondents should plan to submit quotations well in advance of the Submission Deadline to avoid submitting late due to technical issues. Respondents submitting near the Submission Deadline do so at their own risk.

The bidding system will send a confirmation email to the respondent advising when the quotation was submitted successfully. If you do not receive a confirmation email, contact the bidding system's technical support immediately.

1.7.3 Quotations to Be Submitted in Prescribed Format

Quotation materials should be prepared and submitted in accordance with the instructions in the bidding system, including any maximum upload file size.

Documents should not be embedded within uploaded files, as the embedded files may not be accessible or evaluated.

1.7.4 Amendment of Quotations

Respondents may amend their quotations prior to the Submission Deadline. However, the respondent is solely responsible for ensuring that the amended quotation is received by the bidding system by the Submission Deadline.

1.7.5 Withdrawal of Quotations

At any time throughout the RFQ process until the execution of a written agreement for provision of the Deliverables, a respondent may withdraw a submitted quotation. Prior to the Submission Deadline, respondents may withdraw a submitted quotation through the bidding system. To withdraw a quotation after the Submission Deadline, a notice of withdrawal must be sent to the RFQ Contact and must be signed by an authorized representative of the respondent.

[End of Part 1]

PART 2 – EVALUATION AND AWARD

2.1 Stages of Evaluation

ONTC will conduct the evaluation of quotations in the following stages:

2.2 Stage I – Mandatory Submission Requirements

Stage I will consist of a review to determine which quotations comply with all of the mandatory submission requirements. Quotations that fail to satisfy the mandatory submission requirements will be rejected. The mandatory submission requirements are set out in Section C of the RFQ Particulars (Appendix B).

2.3 Stage II – Evaluation

Stage II will consist of the following two (2) sub-stages:

2.3.1 Mandatory Technical Requirements

ONTC will review the quotations to determine whether the mandatory technical requirements as set out in Section D of the RFQ Particulars (Appendix B) have been met. Questions or queries on the part of ONTC as to whether a quotation has met the mandatory technical requirements will be subject to the verification and clarification process set out in Part 3. Quotations that fail to meet the mandatory technical requirements will be rejected.

2.3.2 Non-Price Rated Criteria

ONTC will evaluate each qualified quotation on the basis of the non-price rated criteria as set out under Evaluation Criteria in Section F of the RFQ Particulars (Appendix B).

2.4 Stage III – Pricing

Stage III will consist of a scoring of the submitted pricing of each qualified quotation in accordance with the price evaluation method set out in Section G of the RFQ Particulars (Appendix B). The evaluation of price will be undertaken after the evaluation of mandatory requirements and rated criteria has been completed.

In the event that a respondent's pricing appears to be abnormally low in relation to the Deliverables, ONTC may require the respondent to provide a detailed explanation of the pricing information to account for the low level of price and confirm that all requirements in respect of the Deliverables have been taken into account. If the respondent is unable to satisfactorily account for the abnormally low pricing, ONTC may reject the quotation. ONTC may also reject any quotation that contains unbalanced pricing. Pricing may be considered unbalanced where nominal or significantly understated prices are proposed for some elements of the Deliverables and inflated prices are proposed for other elements of the Deliverables. Unbalanced pricing includes, but is not limited to, "front-loaded" pricing which contains inflated pricing for Deliverables to be provided or completed at the beginning of the contract, offset by understated pricing for Deliverables to be provided or completed later in the contract.

2.5 Selection of Top-Ranked Respondent

After the completion of Stage III, all scores from Stage II and Stage III will be added together and respondents will be ranked based on their total scores. Subject to the process rules contained in the Terms and Conditions of the RFQ Process (Part 3), the top-ranked respondent will be invited to enter into the Agreement in accordance with Part 3. In the event of a tie, the selected respondent will be the respondent with the highest score on the non-price rated criteria.

2.6 Notice to Respondent and Execution of Agreement

The selected respondent will be notified in writing and will be expected to satisfy any applicable conditions of this RFQ, including the pre-conditions of award listed in Section E of the RFQ Particulars (Appendix B), within ten (10) days of notice of selection. This provision is solely for the benefit of ONTC and may be waived by ONTC.

2.7 Failure to Enter into Agreement

If a selected respondent fails to execute the Agreement or satisfy any pre-conditions of award within ten (10) days of notice of selection, ONTC may, without incurring any liability, proceed with the selection of another respondent or the cancellation of the RFQ.

[End of Part 2]

PART 3 – TERMS AND CONDITIONS OF THE RFQ PROCESS

3.1 General Information and Instructions

3.1.1 Respondents to Follow Instructions

Respondents should structure their quotations in accordance with the instructions in this RFQ. Where information is requested in this RFQ, any response made in a quotation should reference the applicable section numbers of this RFQ.

A respondent who submits conditions, options, variations, or contingent statements, either as part of its quotation or after receiving notice of selection, may be disqualified.

3.1.2 Quotations in English

All quotations are to be in English only.

3.1.3 No Incorporation by Reference

The entire content of the respondent's quotation should be submitted in a fixed format, and the content of websites or other external documents referred to in the respondent's quotation, but not attached, will not be considered to form part of its quotation.

3.1.4 Past Performance

In the evaluation process, ONTC may consider the respondent's past performance or conduct on previous contracts with ONTC or other institutions.

3.1.5 Information in RFQ Only an Estimate

ONTC and its advisers make no representation, warranty, or guarantee as to the accuracy of the information contained in this RFQ or issued by way of addenda. Any quantities shown or data contained in this RFQ or provided by way of addenda are estimates only and are for the sole purpose of indicating to respondents the general scale and scope of the Deliverables. It is the respondent's responsibility to obtain all the information necessary to prepare a quotation in response to this RFQ.

3.1.6 Respondents to Bear Their Own Costs

The respondent will bear all costs associated with or incurred in the RFQ process, including, without limitation, preparation and presentation of its quotation and if applicable, costs incurred for meeting attendance, interviews or demonstrations.

3.1.7 Quotation to be retained by ONTC

ONTC will not return the quotation or any accompanying documentation submitted by a respondent.

3.1.8 No Guarantee of Volume of Work or Exclusivity of Contract

ONTC makes no guarantee of the value or volume of work to be assigned to the selected respondent. The contract with the selected respondent will not be an exclusive contract for the provision of the described Deliverables. ONTC may contract with others for goods and services the same as or similar to the Deliverables or may obtain such goods and services internally.

3.1.9 Trade Agreements

Respondents should note that procurements falling within the scope of the Ontario-Quebec Trade and Co-operation Agreement, Canadian Free Trade Agreement, and Comprehensive Economic and Trade Agreement are subject to those trade agreements but that the rights and obligations of the parties will be governed by the specific terms of this RFQ.

3.2 Communication after Issuance of RFQ

3.2.1 Respondents to Review RFQ

Respondents should promptly examine all of the documents comprising this RFQ and may direct questions or seek additional information in writing by email to the RFQ Contact on or before the Deadline for Questions. No such communications are to be sent or initiated through any other means. ONTC is under no obligation to provide additional information, and ONTC is not responsible for any information provided by or obtained from any source other than the RFQ Contact or the bidding system. It is the responsibility of the respondent to seek clarification on any matter it considers to be unclear. ONTC is not responsible for any misunderstanding on the part of the respondent concerning this RFQ or its process.

3.2.2 All New Information to Respondents by Way of Addenda

This RFQ may be amended only by addendum in accordance with this section. If ONTC, for any reason, determines that it is necessary to provide additional information relating to this RFQ, such information will be communicated to all respondents by addendum posted in the bidding system. Each addendum forms an integral part of this RFQ and may contain important information, including significant changes to this RFQ. Respondents are responsible for obtaining all addenda issued by ONTC.

3.2.3 Post-Deadline Addenda and Extension of Submission Deadline

If ONTC determines that it is necessary to issue an addendum after the Deadline for Issuing Addenda, ONTC may extend the Submission Deadline for a reasonable period of time.

3.2.4 Verify, Clarify, and Supplement

When evaluating quotations, ONTC may request further information from the respondent or third parties in order to verify, clarify, or supplement the information provided in the respondent's quotation. ONTC may revisit, re-evaluate, and rescore the respondent's response or ranking on the basis of any such information.

3.3 Notification and Debriefing

3.3.1 Notification to Other Respondents

Once an agreement is executed by ONTC and a respondent, the other respondents may be notified directly in writing and will be notified by public posting of the outcome, on ONTC's website, of the procurement process.

3.3.2 Debriefing

Respondents may request a debriefing after receipt of a notification of the outcome of the procurement process. All requests must be in writing to the RFQ Contact and must be made within sixty (60) days of such notification. The RFQ Contact will contact the respondent's representative to schedule the debriefing. Debriefings may occur by way of conference call or other remote meeting format as prescribed by ONTC.

3.3.3 Procurement Protest Procedure

Any respondent with concerns about the RFQ process is required to attend a debriefing prior to proceeding with a protest.

If, after attending a debriefing, the respondent wishes to challenge the RFQ process, it should provide written notice to the RFQ Contact in accordance with applicable procurement protest procedures. The written notice must contain:

- (a) a clear statement as to which procurement the respondent wishes to challenge;
- (b) a clear explanation of the respondent's concerns with the procurement, including specifics as to why it disagrees with the procurement process or its outcome; and
- (c) the respondent's contact details, including name, telephone number, and email address.

ONTC will send an initial response to acknowledge receipt of the respondent's notice and indicate the date by which ONTC will provide the respondent with a formal response.

3.4 Conflict of Interest and Prohibited Conduct

3.4.1 Conflict of Interest

For the purposes of this RFQ, the term "Conflict of Interest" includes, but is not limited to, any situation or circumstance where:

- (a) in relation to the RFQ process, the respondent has an unfair advantage or engages in conduct, directly or indirectly, that may give it an unfair advantage, including, but not limited to:
 - (i) having or having access to confidential information of ONTC in the preparation of its quotation that is not available to other respondents;
 - (ii) having been involved in the development of the RFQ, including having provided advice or assistance in the development of the RFQ;

- (iii) receiving advice or assistance in the preparation of its response from any individual or entity that was involved in the development of the RFQ;
 - (iv) communicating with any person with a view to influencing preferred treatment in the RFQ process (including, but not limited to, the lobbying of decision-makers involved in the RFQ process); or
 - (v) engaging in conduct that compromises, or could be seen to compromise, the integrity of the open and competitive RFQ process or render that process non-competitive or unfair; or
- (b) in relation to the performance of its contractual obligations under a contract for the Deliverables, the respondent's other commitments, relationships, or financial interests:
 - (i) could, or could be seen to, exercise an improper influence over the objective, unbiased, and impartial exercise of its independent judgement; or
 - (ii) could, or could be seen to, compromise, impair, or be incompatible with the effective performance of its contractual obligations.

3.4.2 Disqualification for Conflict of Interest

ONTC may disqualify a respondent for any conduct, situation, or circumstances, determined by ONTC, in its sole and absolute discretion, to constitute a Conflict of Interest as defined above.

An existing supplier of ONTC may be precluded from participating in the RFQ process in instances where ONTC has determined that the supplier has a competitive advantage that cannot be adequately addressed to mitigate against unfair advantage. This may include, without limitation, situations in which an existing supplier is in a position to create unnecessary barriers to competition through the manner in which it performs its existing contracts, or situations where the incumbent fails to provide the information within its control or otherwise engages in conduct obstructive to a fair competitive process.

3.4.3 Disqualification for Prohibited Conduct or Breach

ONTC may disqualify a respondent, rescind a notice of selection, or terminate a contract subsequently entered into if ONTC determines that in its sole and absolute discretion the respondent has engaged in any conduct prohibited by this RFQ or has otherwise breached the terms of the RFQ.

3.4.4 Prohibited Respondent Communications

Respondents must not engage in any communications that could constitute a Conflict of Interest and should take note of the Conflict of Interest declaration set out in the Submission Form (Appendix C).

3.4.5 Respondent Not to Communicate with Media

Respondents must not, at any time directly or indirectly, communicate with the media in relation to this RFQ or any agreement entered into pursuant to this RFQ without first obtaining the written permission of the RFQ Contact. Further, a respondent must not make any media release, social

media or Internet post, public announcement or public disclosure (whether for publication in the press, on the radio, television, internet or any other medium) that relates to the RFQ process, the solicitation documents or the Deliverables or any matters related thereto, without the prior written consent of ONTC.

3.4.6 No Lobbying

Respondents must not, in relation to this RFQ or the evaluation and selection process, engage directly or indirectly in any form of political or other lobbying whatsoever to influence the selection of the selected respondent(s).

3.4.7 Illegal or Unethical Conduct

Respondents must not engage in any illegal business practices, including activities such as bid-rigging, price-fixing, bribery, fraud, coercion, or collusion. Respondents must not engage in any unethical conduct, including lobbying, as described above, or other inappropriate communications; offering gifts to any employees, officers, agents, elected or appointed officials, or other representatives of ONTC; deceitfulness; submitting quotations containing misrepresentations or other misleading or inaccurate information; or any other conduct that compromises or may be seen to compromise the competitive process provided for in this RFQ.

3.4.8 Supplier Suspension

ONTC may suspend a supplier from participating in its procurement processes for prescribed time periods based on past performance or based on inappropriate conduct, including, but not limited to the following:

- (a) illegal or unethical conduct as described above;
- (b) the refusal of the supplier to honour its submitted pricing or other commitments;
- (c) engaging in litigious conduct, bringing frivolous or vexatious claims in connection with ONTC's procurement processes or contracts, or engaging in conduct obstructive to a fair competitive process; or
- (d) any conduct, situation, or circumstance determined by ONTC, in its sole and absolute discretion, to have constituted an undisclosed Conflict of Interest.

In advance of a decision to suspend a supplier, ONTC will notify the supplier of the grounds for the suspension and the supplier will have an opportunity to respond within a timeframe stated in the notice. Any response received from the supplier within that timeframe will be considered by ONTC in making its final decision.

3.5 Confidential Information

3.5.1 Confidential Information of ONTC

All information provided by or obtained from ONTC in any form in connection with this RFQ either before or after the issuance of this RFQ:

- (a) is the sole property of ONTC and must be treated as confidential;

- (b) is not to be used for any purpose other than replying to this RFQ and the performance of any subsequent contract for the Deliverables;
- (c) must not be disclosed without prior written authorization from ONTC; and
- (d) must be returned by the respondent to ONTC immediately upon the request of ONTC.

Each respondent shall be responsible for any breach of the provisions of this section by any person to whom it discloses ONTC confidential information.

3.5.2 Confidential Information of Respondent

A respondent should identify any information in its quotation or any accompanying documentation supplied in confidence for which confidentiality is to be maintained by ONTC. The confidentiality of such information will be maintained by ONTC, except as otherwise required by law or by order of a court or tribunal. Respondents are advised that their quotations will, as necessary, be disclosed, on a confidential basis, to advisers retained by ONTC to advise or assist with the RFQ process, including the evaluation of quotations. If a respondent has any questions about the collection and use of personal information pursuant to this RFQ, questions are to be submitted to the RFQ Contact.

3.6 Procurement Process Non-Binding

3.6.1 No Contract A and No Claims

This procurement process is not intended to create and will not create a formal, legally binding bidding process and will instead be governed by the law applicable to direct commercial negotiations. For greater certainty, and without limitation:

- (a) this RFQ will not give rise to any Contract-A-based tendering law duties or any other legal obligations arising out of any process contract or collateral contract; and
- (b) neither the respondent nor ONTC will have the right to make any claims (in contract, tort, or otherwise) against the other with respect to the award of a contract, failure to award a contract, or failure to honour a quotation submitted in response to this RFQ.

3.6.2 No Contract until Execution of Written Agreement

This RFQ process is intended to solicit non-binding quotations for consideration by ONTC and may result in an invitation by ONTC to a respondent to enter into the Agreement. No legal relationship or obligation regarding the procurement of any good or service will be created between the respondent and ONTC by this RFQ process until the execution of a written agreement for the acquisition of such goods and/or services

3.6.3 Non-Binding Price Estimates

While the pricing information provided in quotations will be non-binding prior to the execution of a written agreement, such information will be assessed during the evaluation of the quotations and the ranking of the respondents. Any inaccurate, misleading, or incomplete information, including withdrawn or altered pricing, could adversely impact any such evaluation or ranking or the decision of ONTC to enter into an agreement for the Deliverables.

3.6.4 Cancellation

ONTC may cancel or amend the RFQ process without liability at any time.

3.7 Governing Law and Interpretation

These Terms and Conditions of the RFQ Process (Part 3):

- (a) are intended to be interpreted broadly and independently (with no particular provision intended to limit the scope of any other provision);
- (b) are non-exhaustive and will not be construed as intending to limit the pre-existing rights of the parties to engage in pre-contractual discussions in accordance with the common law governing direct commercial negotiations; and
- (c) are to be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein and the courts of the Province of Ontario shall have exclusive jurisdiction to entertain any action or proceeding based on, relating to or arising from this RFQ.

3.8 Power of Legislative Assembly

No provision of this RFQ is intended to operate, nor shall any such provision have the effect of operating, in any way, that would interfere with or otherwise fetter the discretion of the Legislative Assembly of Ontario in the exercise of its legislative powers.

G. PRICE EVALUATION METHOD

The ranking of respondents will be based on the total score calculated by adding the pricing points to the total points from the technical proposal.

Pricing is worth **35 points** of the total score.

Pricing will be scored based on a relative pricing formula using the rates set out in the pricing form. Each respondent will receive a percentage of the total possible points allocated to price, which will be calculated in accordance with the following formula:

$$\text{lowest price} \div \text{proponent's price} \times \text{weighting} = \text{proponent's pricing points}$$

Instructions on How to Provide Pricing
