CLARIFICATIONS/QUESTIONS**Item 1: Part 4 – Form of Submission – Submission Form 2 – Respondent's General Information**

- a) ONTC is requesting that Subcontractors be identified and included in the table provided within this form. For this RFSQ, it is not possible to identify the services, subcontractors or % of contract value, given that a defined scope of work has not been provided. Can this be removed?

Answer: Yes. ONTC has now updated Submission Form 2 – Respondent's General Information and removed the section where subcontractor information was required.

Please replace the original Submission Form 2 of the RFSQ with the updated Submission Form 2 attached at the end of this Addendum in Appendix A.

Please ensure that the updated Submission Form 2 is completed as part of your proposal and submitted on MERX.
