File Reference Number: RFP 2026 013

Title: Master Lease Agreement - Hi-Rail Vehicles

RE: Clarifications/Questions

CLARIFICATIONS / QUESTIONS:

Item 1: Would ONTC advise if Proponents are still able to bid if they are unable to supply and deliver one or more of the vehicles required?

Answer: ONTC advises that it requires Proponents to supply and deliver all of the vehicles listed in the package. Any elements that a Proponent is unable to deliver may be subcontracted out in order to achieve full compliance with the stated requirements.
