

April 15, 2026**Addendum No. 02****File Reference Number: RFP 2026 022****Title: Building Condition Assessment****RE: Clarifications/Questions**

QUESTIONS / CLARIFICATIONS:

Item 1: Would ONTC consider an extension of the inspection period currently stated to be June 15 - July 3?

Answer: ONTC advises that it will allow schedule flexibility for inspections of ONTC sites beyond the June 15 - July 3 period identified in the RFP. The dates noted are indicative only, and no maximum inspection period is prescribed. Proponents may propose extended inspection timelines, provided that all required deliverables are met.

Item 2: Would ONTC kindly confirm the qualification requirements for a Cultural Heritage Consultant?

Answer: ONTC confirms that an engineer, architect and/or similar specialist, with sufficient experience working with buildings designated as heritage structures will be acceptable to complete this work.

Item 3: Would ONTC consider extending the submission deadline / closing date of this RFP by one week?

Answer: Yes, ONTC is agreeable to extending the submission deadline / closing date of the RFP to **Friday, May 8th, 2026 at 2:00:00 PM EDT.**

Please note that ONTC will not consider any further extensions beyond this date.

See revised timelines below:
