**Title: Supply and Delivery of Special Purpose Vehicles and Upfitting**

**RE: Clarifications/Questions**

---

**CLARIFICATIONS/QUESTIONS:**

**Item 1:** Would ONTC consider an extension to the closing date / submission deadline of this RFP?

**Answer:** No, ONTC will not consider an extension to the closing date / submission deadline of this RFP. The closing date / submission deadline will remain as **Monday, June 1, 2026 at 2:00:00 PM EDT**

**Item 2:** It appears that each bidder may submit a proposal for one section only and is not required to bid on all sections. Please confirm whether our understanding is correct.

**Answer:** No, ONTC requires that proponents complete Appendix D - Schedule of Prices in its entirety. Proposals will be evaluated based on the total pricing for all vehicles listed in Appendix D.

**Item 3:** Could you please advise on the make and model of the Yard Truck (J - Upfitting only) that requires upfitting? Please note that the Leer DCC-MT3 Cap is no longer available. In addition, the bed length is required in order for us to propose an equivalent alternative.

**Answer:** ONTC advises that the make and model of the Yard Truck is a 2026 Chevrolet Silverado 2500HD WT.

**Item 4:** Please confirm whether proponents will be responsible for picking up the yard truck from Englehart and returning it upon completion of the upfitting work.

**Answer:** Yes, ONTC confirms that proponents will be responsible for pick up and return of vehicle upon completion.

**Item 5:** Would ONTC advise if Cooper tires may be used rather than Goodyear tires?

**Answer:** Yes, ONTC confirms that is acceptable.
