Addendum No. 01

File Reference Number: RFP 2026 052

Title: Demolition of North Bay's Scale Shack Building

RE: Clarifications/Questions

QUESTIONS

Item 1: Can ONTC please confirm whether all existing underground structures and equipment are to be removed and disposed of as part of the project scope?

Answer: Yes, the contractor's scope shall include the removal of all existing underground structures and equipment.

Item 2: Can ONTC please confirm whether all existing underground structures and equipment may be cut into manageable pieces, as required, to facilitate their removal and disposal?

Answer: It is the contractor's responsibility to determine the most cost-effective methods for carrying out the removal work.

Item 3: Can ONTC please confirm whether all associated wiring may be cut and disposed of as part of the project scope?

Answer: Removal of wiring and all associated electrical equipment shall be included in the contractor's scope of work.

CLARIFICATIONS

Item 4: ONTC's Rail Department will remove the rails from the concrete platform prior to the commencement of the project. Upon completion of the work and backfilling activities, ONTC's Rail Department will reinstall the rails.

This Addendum hereby forms part of the RFP.
