Addendum No. 02

File Reference Number: RFQ 2026 055

Title: Supply and Delivery of New Insulated Rails

RE: Clarifications/Questions

QUESTIONS/CLARIFICATIONS:

Item 1: ONTC advises that an error was identified in Appendix D - Schedule of Prices. Under the Base Price column, the unit of measure is currently shown as "Per Foot". This is incorrect. Pricing shall be submitted on a per assembly (each) basis for the specified quantity of fifty (50) assemblies of 19'6" each, not on a per-foot basis.

The RFQ Documents have been revised and sections affected are noted below. The revised RFQ sections supersede all previous RFQ Document versions for the said documents.
