Addendum No. 02

File Reference Number: RFP 2026 070

Title: Fabrication of Flooring Panel Kits

RE: Clarifications/Questions

QUESTIONS/CLARIFICATIONS:

**Item 1: Schedule A - Schedule of Prices - Table C - Spare Panel Schedule - 41407
Washroom Floor Panel**

Would ONTC please clarify the following:

- a) Scope: Are you looking for pricing on all five items shown on the drawing, or only Item 1 (Part No. 41407)?
- b) Quote Quantity: What quantity should we quote for the Washroom Floor Panel? This does not appear to be specified in Table C.5
- c) Annual Volume: Could you provide an approximate estimated annual quantity for this panel?

Answer: ONTC confirms that pricing shall be provided for the complete Washroom Floor Panel assembly, which consists of five (5) panels as shown on Drawing 41407. Pricing is not required on an individual panel basis. For quoting purposes, one (1) complete Washroom Floor Panel assembly shall be priced. ONTC estimates an annual volume of one (1) Washroom Floor Panel Assembly per year.

This Addendum hereby forms part of the RFP.
